

I am a Digital Citizen!

When I'm at school, I will use my Personal device for Educational Purposes only.

I will only use the assigned WIFI network while I'm at school.

I will keep my device safe and secure in my backpack or designated area.

I listen to my gut!

I make sure that I am safe and appropriate when I am online.

I will visit appropriate websites that promote learning and are for educational purposes.

I will know Copyright Laws and will remember to cite sources I use for all my projects.

I listen to my head!

I will protect my Private information and the information of others.

I will log off and will not share my login and password with others.

I listen to my heart!

I will respect others and myself when I am online.

I will use kind words, and remember that my "digital footprint" should not harm others.

I stand up and say "NO" to cyber bullying.

I will tell an adult if someone is being unkind or harmful.
