Commitment to Truth and Reconciliation

Mind – To Know

In recognition of National Indigenous Peoples Day,
and in alignment with the CBE Education Plan,

North Haven School

acknowledges and supports the Truth and Reconciliation Commission of
Canada's (TRC) Calls to Action, and makes the following commitment to action for
the 2025-2026 school year.

As a school and in teams, we will continue to use the resources developed by the CBE Indigenous Education team and suggested ties
in the new curriculum documents. Where we will identify places across curriculum where Indigenous ways of being, belonging, doing
and knowing can be weaved in and then design learning tasks. (Heart - To Belong)

We will build relationships with local Indigenous knowledge keepers and elders to weave curricular ties with traditional knowledge.
Through this learning, we will use and understand the Holistic domains to guide our work and design learning tasks that intentionally
activate the spirit, heart, body, and mind. (Mind - To Know)
